Okay, I'm almost reluctant to admit to the story I'm about to tell.

People will judge. But let's be honest. What healthy 19-year-old girl can TRUTHFULLY say that she's never walked down a produce isle and had thoughts? You know the kind of thoughts I mean. Shit! Vegetables are just so phallic! The long bunches of carrots, the fat, dark eggplants, the fucking cucumbers! Come on—the cucumbers! Tell me they don't get your mind thinking of cock. Maybe I'm just a freak, or need to get my mind out of the gutter, but I think I'm just being HONEST! And yes—the damn vegetables make me think of sex.

Which leads me to what happened last night when I found myself totally unable to sleep. I guess not having seen my boyfriend for over a week wasn't helping, because as I laid in bed tossing and turning, all I could think of was how nice it would be to get laid. Sometimes when I'm horny, it's just impossible to drift off, but alone I was, and I sure wouldn't be getting any by my lonesome.

It was like 3 A.M. with no relief in sight when I started to feel my stomach rumble. I figured maybe a snack would help, so I crawled out of bed and headed for the kitchen. I turned the lights on, keeping them dim so the light wouldn't wake me up even more. I opened the fridge and peeked in. It was slim pickings in there. Maybe a salad would do the trick, light and not too fattening. I opened the vegetable bin and looked in. That's when I saw it. My mind was filled with all sorts of nasty thoughts as I stared at the fat green cucumber. I reached in and grabbed it, and there was a distinct feeling of guilt as I grasped it.

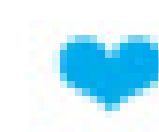

You're a total fucking slut,' I thought, as I felt it's hardness and slippery, waxy coating in my hand.

I had to smile. It was funny and hot at the same time. It's amazing what a person will do when no one is around—and horniness always wins. I jumped up on the kitchen island and spread my legs slightly. I was wearing a T-shirt and no panties, and I polished the organic prick with the bottom of my shirt until it looked clean.

It was at least twice as thick as my boyfriend, and totally maxed out my pussy.

I couldn't get it in any further, and when my body resisted, I pulled it out. When I looked down, I noticed that my gooey pussy juices glistened on the dark green skin of the cucumber. The sight flipped a slut switch in my head, and my horniness made me lose all restraint. I felt my snatch flood with cucumber and cum as I pushed the vegetable into me once again. This time, my sugar walls loosened up and the thing slipped deep inside of me. I'd never been filled with anything quite as meaty as this, and the thought of that drove me over the edge. I had an awesome O. I'm still a little sore even today! Okay, now I'm TOTALLY embarrassed, but hey, when in Rome... or in the fridge!

Oh my gosh, you guys, this whole modeling thing is so much fun!

I wasn't sure at first, cause I was thinking it was going to be a bikini shoot, like in Sports Illustrated, but when I got here they wanted to see way more than they show in Sports Illustrated, which is like... almost everything anyway! I was scared because I'm not comfortable wearing less than my bikini, but I knew if I wanted to be a real model I have to push myself, just like Tyra Banks says.

But I was hoping for a swimsuit shoot because I love my bikini! It's like my favorite thing to wear at my stepdad's house, because he has this awesome hot tub! I love being all warm and covered in bubbles—people always tell me I'm bubbly, so it makes sense. I spend most of my time in there on weekends when I'm at my stepdad's. Sometimes I bring bubble bath and magazines. It's the best!

They asked me to write about the sex stuff I've done, and I was like, "I haven't done very much!" But then I remembered something that happened in my bikini, the hot tub! I was reading a magazine with all the jets on, just like usual, when my cell phone rang. I had to get up on all fours to get it. It was this loser from school I didn't want to talk to, because who wants to talk to people from high school after you've graduated? Not me! I'm working on my modeling career, and people from high school are telling me I'll get "exploited," whatever that means. I can't wait for those dorks to see my photos in TIGHT! I'll prove them all wrong!

So anyway, then I noticed one of the jets was hitting me right between my legs!

I'm not some dirty girl who touches herself down there, but this felt great! And since I wasn't really doing it to myself, I thought it wouldn't be that dirty of a thing to try. It was just water, you know? Like, totally the opposite of dirty!

So I was there in the hot tub on my knees, sticking my butt out to get the jet on my private parts, when in walks my stepdad's friend, Roger! He was over for poker night and I guess he could tell I was up to something, because he sat down on the edge of the hot tub and said, "What are you doing up here all alone?"

I was like, "Nothing!"

And then he goes, "I'll give you something to do," and he starts taking off my bikini! Normally I would have stopped him, cause he's like as old as my stepdad! Ewww! But I guess I was still all loopy from the jets because I wanted him to keep touching me.

Roger pulled me up so my butt was sticking up, but instead of the jets hitting me, he started using his finger! I guess he could tell I was into it, because after a few seconds, he pulled his pants off, got in the hot tub, and put his THING in me! I was so surprised by how big and hard it was! Then he started pushing it in and out and it felt soooooo good. It didn't last very long, maybe just a minute or two, and then he took it out and sprayed his dick milk all over my butt! I was like, "Whoa, what was that?"

But he didn't say anything. He just got out of the tub, wiped himself off, put his pants on, and walked out.

I guess he went back to the poker game. Anyway, he's never come back in the tub on poker night, even though every time they play, I make sure to be in the hot tub just in case. But it's okay that Roger doesn't come in, because I just use the jets instead!

**Who ever said that it was
BOYS that loved to play
with their toys?**

Ever since I could remember, I've been more or less obsessed with mine. I still remember the first doll I ever owned, and I'll also always remember my first grown up toy I ever owned, my first dildo. Since I became a woman, I have been SO obsessed with getting laid. Of course, being Catholic and coming from a super-strict family, I was terrified to actually try the real thing, but when my friend Jersey and I slipped nervously into a sex shop one day, we were just giddy with delight at all the sexual "aids" that were on display.

J is a lot more precocious than I, and she started grabbing the dildos and feeling them, making all kinds of silly noises and gestures with them.

“Imagine what THIS would feel like inside of you!” she teased. I turned every shade of red. When she sauntered up to the counter and pulled out her wallet, I was speechless. She looked the dykey chick behind the counter right in the eye and laid down her week’s allowance. “I wanna hear all about it”, she said to me, as she slipped the brown paper bag into my hand. I couldn’t believe she had bought it for me, but I didn’t exactly complain either.

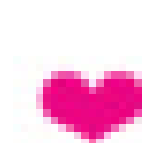

That night, after everyone was asleep and I was in my bed under the covers, I reached in the drawer and pulled it out.

I slipped it out of its wrapper and lay there in the dark—feeling the weight of this rubber monster in my palm. My hands caressed it nervously, even though there was no one there to judge me! I felt my heart beat faster as I closed my fist tightly around it, feeling its hefty girth. I brought it up to my nose and smelled it, and it had a funny sort of rubbery, citrus smell, artificial yet arousing. I’d noticed all sorts of lubes and gels in the store that afternoon, but one thing was for sure, I wasn’t going to be needing ANY. As I slid my hand down to my panty-covered pussy, I was surprised to discover that I was fucking soaking wet. I mean drenched!

I started massaging my clit through the outside of my silky panties, and the feeling of its weight against my snatch was driving me wild.

I pulled the panties aside, and put the head of the fake prick against my slippery opening. I’d masturbated before, but nothing had ever felt as good as this!

I lost my breath for a moment as the thick prick slid slowly inside of me. I could feel the walls of my snatch resisting, but my hand kept pushing gently until the whole thing was deep inside of me. Then I just lay there, my breathing heavy, and focused on the feeling of this heavy presence filling me up. It sure was different than the few fingers I’d had in there before! I just couldn’t last—not that first time. I came all over the damn thing in like a minute. Now, a few months later, my first grown-up toy is just one of a very BIG and always growing collection. I LOVE my toys!

I don't really think I'm a rebel.

I mean some people say I'm like a "bad girl" because I do totally normal things like smoke cigarettes sometimes and hang out with guys who are older than me, but whatever. I don't do anything really bad, like I don't hurt anyone and I don't have sex! I didn't even like being naked for my whole life because it felt weird and exposed.

But a few weeks ago, I changed my mind about that, as you can probably tell because I posed for these pictures! Lately I've been all about being naked, because it turns out it's really fun! Anyway, how I changed my mind was one night I was at my friend Shawna's house. We were hanging out by her parents' pool late at night, smoking cigarettes, listening to music, and just being totally normal. We didn't know anyone else was awake because it was really late.

But suddenly, her brother's friend Tristan comes out to the pool! He's older than us by a lot, but I think he's a loser because he doesn't have a job and he's always over at Shawna's house. He comes over to us and goes, "You guys can't be smoking out here! Your parents would be sooo pissed if they found out, Shawna! I'm gonna have to tell them!"

We jumped up and were all like, "No, don't tell them!"

So he's like, "Well, why shouldn't I? You guys are gonna' have to convince me."

So Shawna was like, "Fine," and she just took off her swimsuit! I was like, "Oh my god, Shawna, what are you doing?"

She's all, "Relax, he's not gonna' touch us. He just likes watching me skinny dip. Take off your suit."

I was really embarrassed, but Shawna seemed pretty cool with it, and Tristan was just sitting there on a beach chair, so it seemed safe. So, I took off my bikini and jumped in the pool! And oh my god it was SO much fun to be swimming around naked! I felt like a mermaid or something!

So anyway, I was just swimming around, feeling the cool water on my skin, and I came up for air.

And there was Tristan, in the beach chair, with his pants down around his knees, and he had his THING out and he was like pumping it with his hand and watching us! I was surprised, but kind of curious too, cause I've never seen a guy's thing before, especially not like that. So, I climbed out of the pool to look at it, and like, whoa! It was all big and kind of purple! Tristan was looking at me, and he saw that I was staring at it, so he said, "Do you want to touch it?"

I was embarrassed, so I just nodded and sat down next to him. I reached over and wrapped my hand around it. It was really warm and, like, so hard! So I did what I'd seen him doing before, moved my hand up and down on it, and after a little bit I could feel it getting bigger! Suddenly, all this creamy, hot stuff came shooting out! It went all over my hand!

Tristan leaned back in the chair, and didn't say anything, so I got back in the pool. When I got back out later, he was gone. The thing is, now I go skinny dipping all the time! It's so much fun to be naked. So I guess I owe my success as a model to Tristan, even though he hasn't wanted to talk to me since that last time at the pool. Whatever!

I'm really glad I got this modeling job, because now that I've been in TIGHT, a career in modeling will be easy to get. And thank god, because I'm starting to feel uncomfortable at my old job.

It's the first job I've ever had. I'm the register girl at P.T. Pootenkrautzel's Great American Hot Doggery restaurant in the mall, which is actually really tough because I get all these obnoxious people who want ridiculous stuff all over their dogs. If we don't have this weird stuff (like one woman wanted dill pickles! Dill pickles? Are you serious?), they get all bitchy and yell at me, even though it's not my fault! It's really hard to be nice sometimes.

One day, I got into an argument with this stupid fat kid who was all, "The onion cheese spread you put on your hot dogs here sucks." And I was like, "So go get a hot dog somewhere else, chubby!" And I didn't know that my manager heard me!

So after I got rid of the fat kid, my manager comes up and says, "Excuse me, Hannah, can I talk to you in my office?" So, we got back to his closet-sized office, and he tells me I can't talk to customers that way. I'm like, "Whatever! It's not my fault that kid is a fat jerk." The manager, his name is Chris, goes, "You have to have a passion for the product you're selling, Hannah. When's the last time you actually ate one of our hot dogs?"

I just shrugged. "I don't appreciate your attitude right now, young lady," Chris said. "I'm going to give you some first hand experience with one of our wieners to be sure you know just what it is you're selling."

And oh my GOD, then he pulled out HIS OWN WIENER!

I couldn't believe my MANAGER would do that! I thought he was going to start playing with himself, but instead, he told me to open up my mouth to learn to respect the hot dog! I didn't know what to do because I'm not that kind of girl at all. I've never done anything like that! I was going to say no, but then I thought that he might fire me if I did, and then I'd have to tell my parents why, and that would be so embarrassing!

So, I let him stick it in my mouth, but it was all floppy and not like a hot dog at all! But after a few minutes, it started getting hard and big! By the time it was done, it was way bigger than a normal hot dog, because it hardly even fit in my mouth! By that time, I was kind of liking it though. Maybe Chris wouldn't be mad at me anymore if I did a good job! After a few minutes, he stopped moving it in and out, and suddenly, all this thick, salty, liquid stuff hit me in the back of the throat! I was not ready for that, so I kind of gasped and gulped and before I knew it, I'd swallowed all of it!

The manager was like, "Good job. You know how to handle your hot dogs, young lady!"

And that was it. Except now, my boss is always trying to get me to come into his office, because I think he wants me to "eat his hot dog" again, and I don't want to! So I've got to keep modeling and get myself out of that stupid job, soon! Does anyone know any other photographers who need a model like me?

When it comes to sex, I'm kind of impulsive.

When I get the itch, I like to be scratched. Ever since I turned 18, my sex drive is in overdrive. I was always horny—and what is it about the sun that just makes me wanna' cut loose and go caveman? I guess I'm just an outdoorsy kind of chick.

It was early June, but unseasonably hot for New York City, and my BF Jay and I decided to spend the afternoon in Central Park. We grabbed some lunch, hopped on the C-train, and were up there in a flash. Jay held my hand as we walked down the path to the great lawn. The sun was shining, and all was right with the world. We picked a spot in the shade of a big oak tree to do some serious people watching. We lay there on the blanket soaking up rays and making small talk. I should have seen the whole thing coming, because while Jay was rambling on about the volleyball game that was going on a few yards away from us, my eyes were following every cute guy that jogged by in a pair of shorts. Yeah, I was feeling the itch.

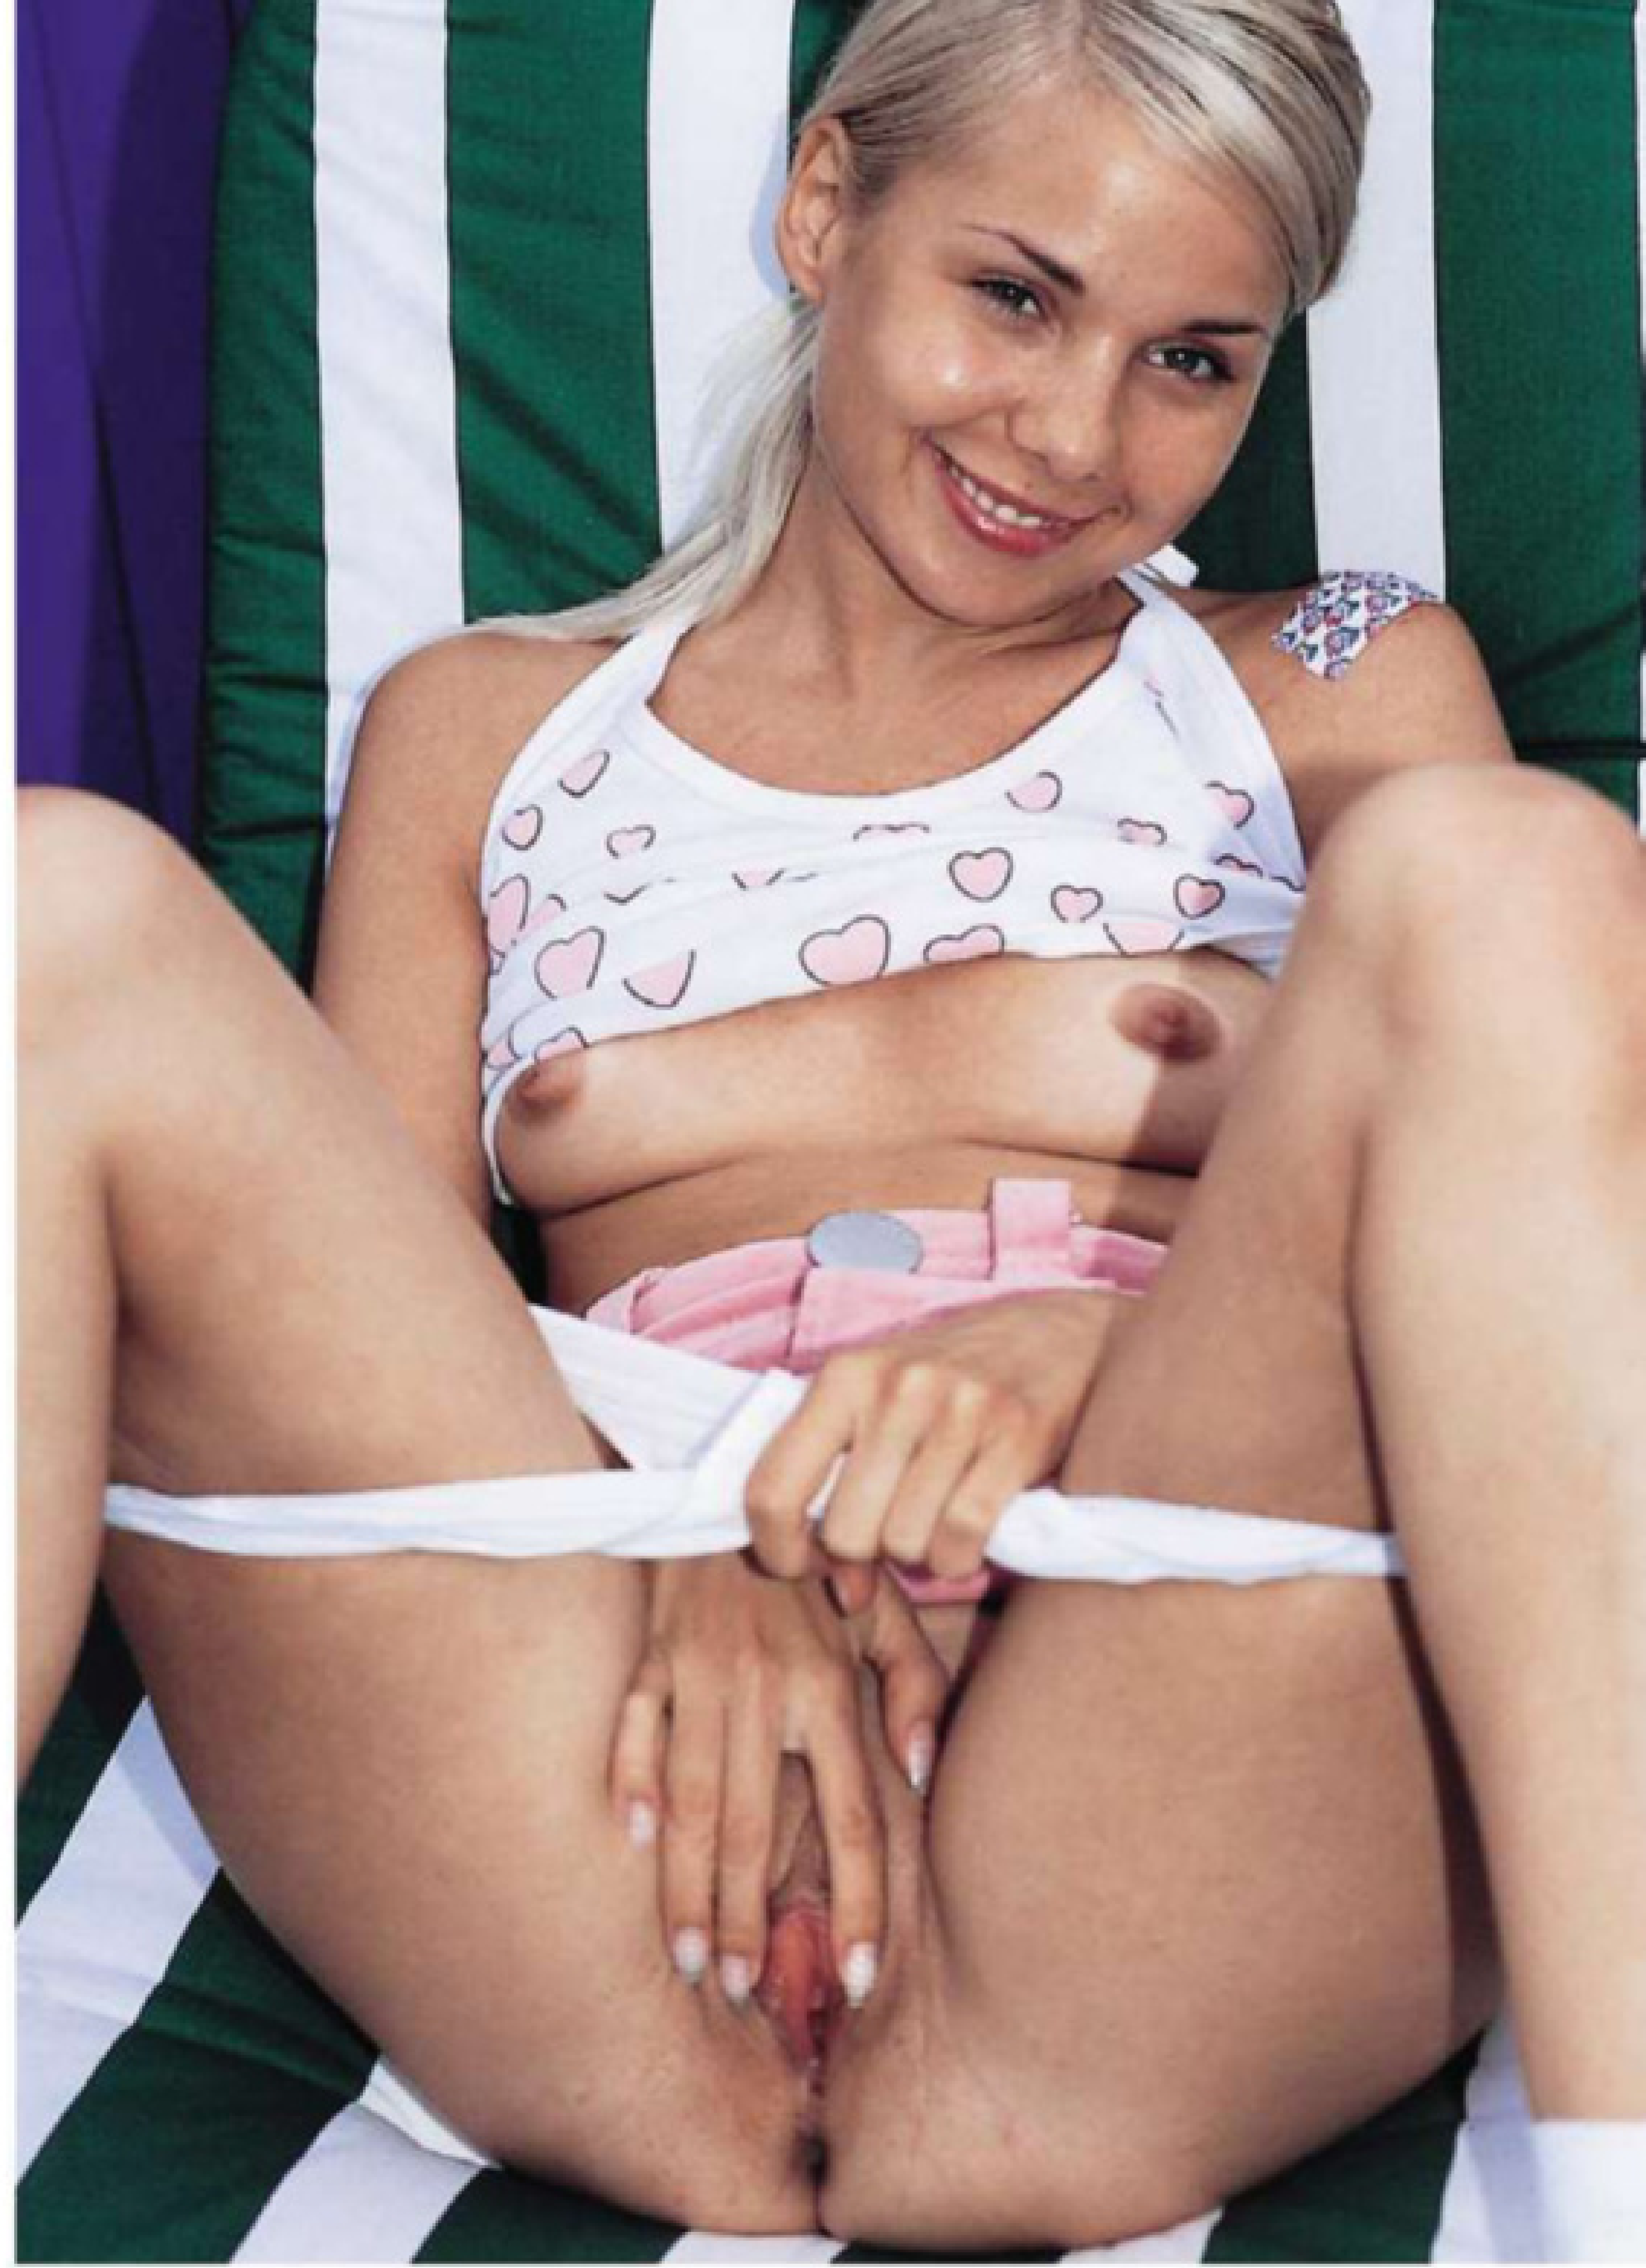

The longer I laid there under the afternoon sun, the more restless I felt. I looked over at Jay, who was lying on his back, oblivious to my cravings. He had no idea what was coming his way. That boyfriend of mine is one lucky dude.

"It's getting a little chilly," I said. Jay looked at me like I had two heads because it was really like 75 degrees, but he's so sweet, and he immediately reached into his pack and pulled out another blanket, throwing it over us. Mission accomplished!

I watched the totally surprised look come over his soft brown eyes when he felt my hand wander over to his crotch. He turned to me and smiled softly. I knew he was apprehensive, but not enough to ask me to stop! I began massaging his prick through his pants, and in seconds, he was hard as a rock. Shit, his thick cock felt good, even through the denim! He went to kiss me and I stopped him.

**"Don't make a public display,"
I teased.**

I unzipped his fly and fished his dingus out. The blanket hid everything. The action went on all around us as I brought my hand to my mouth and looked around to make sure no eyes were on me. I filled my palm with a mouthful of warm spit and then slid my hand back towards Jay's waiting prick. When my fist tightened around his cock, slippery and warm from my saliva, Jay's whole body tightened. I grabbed him hard and pumped his cock as I leaned over and devoured his mouth. At this point, I didn't care WHO was watching!

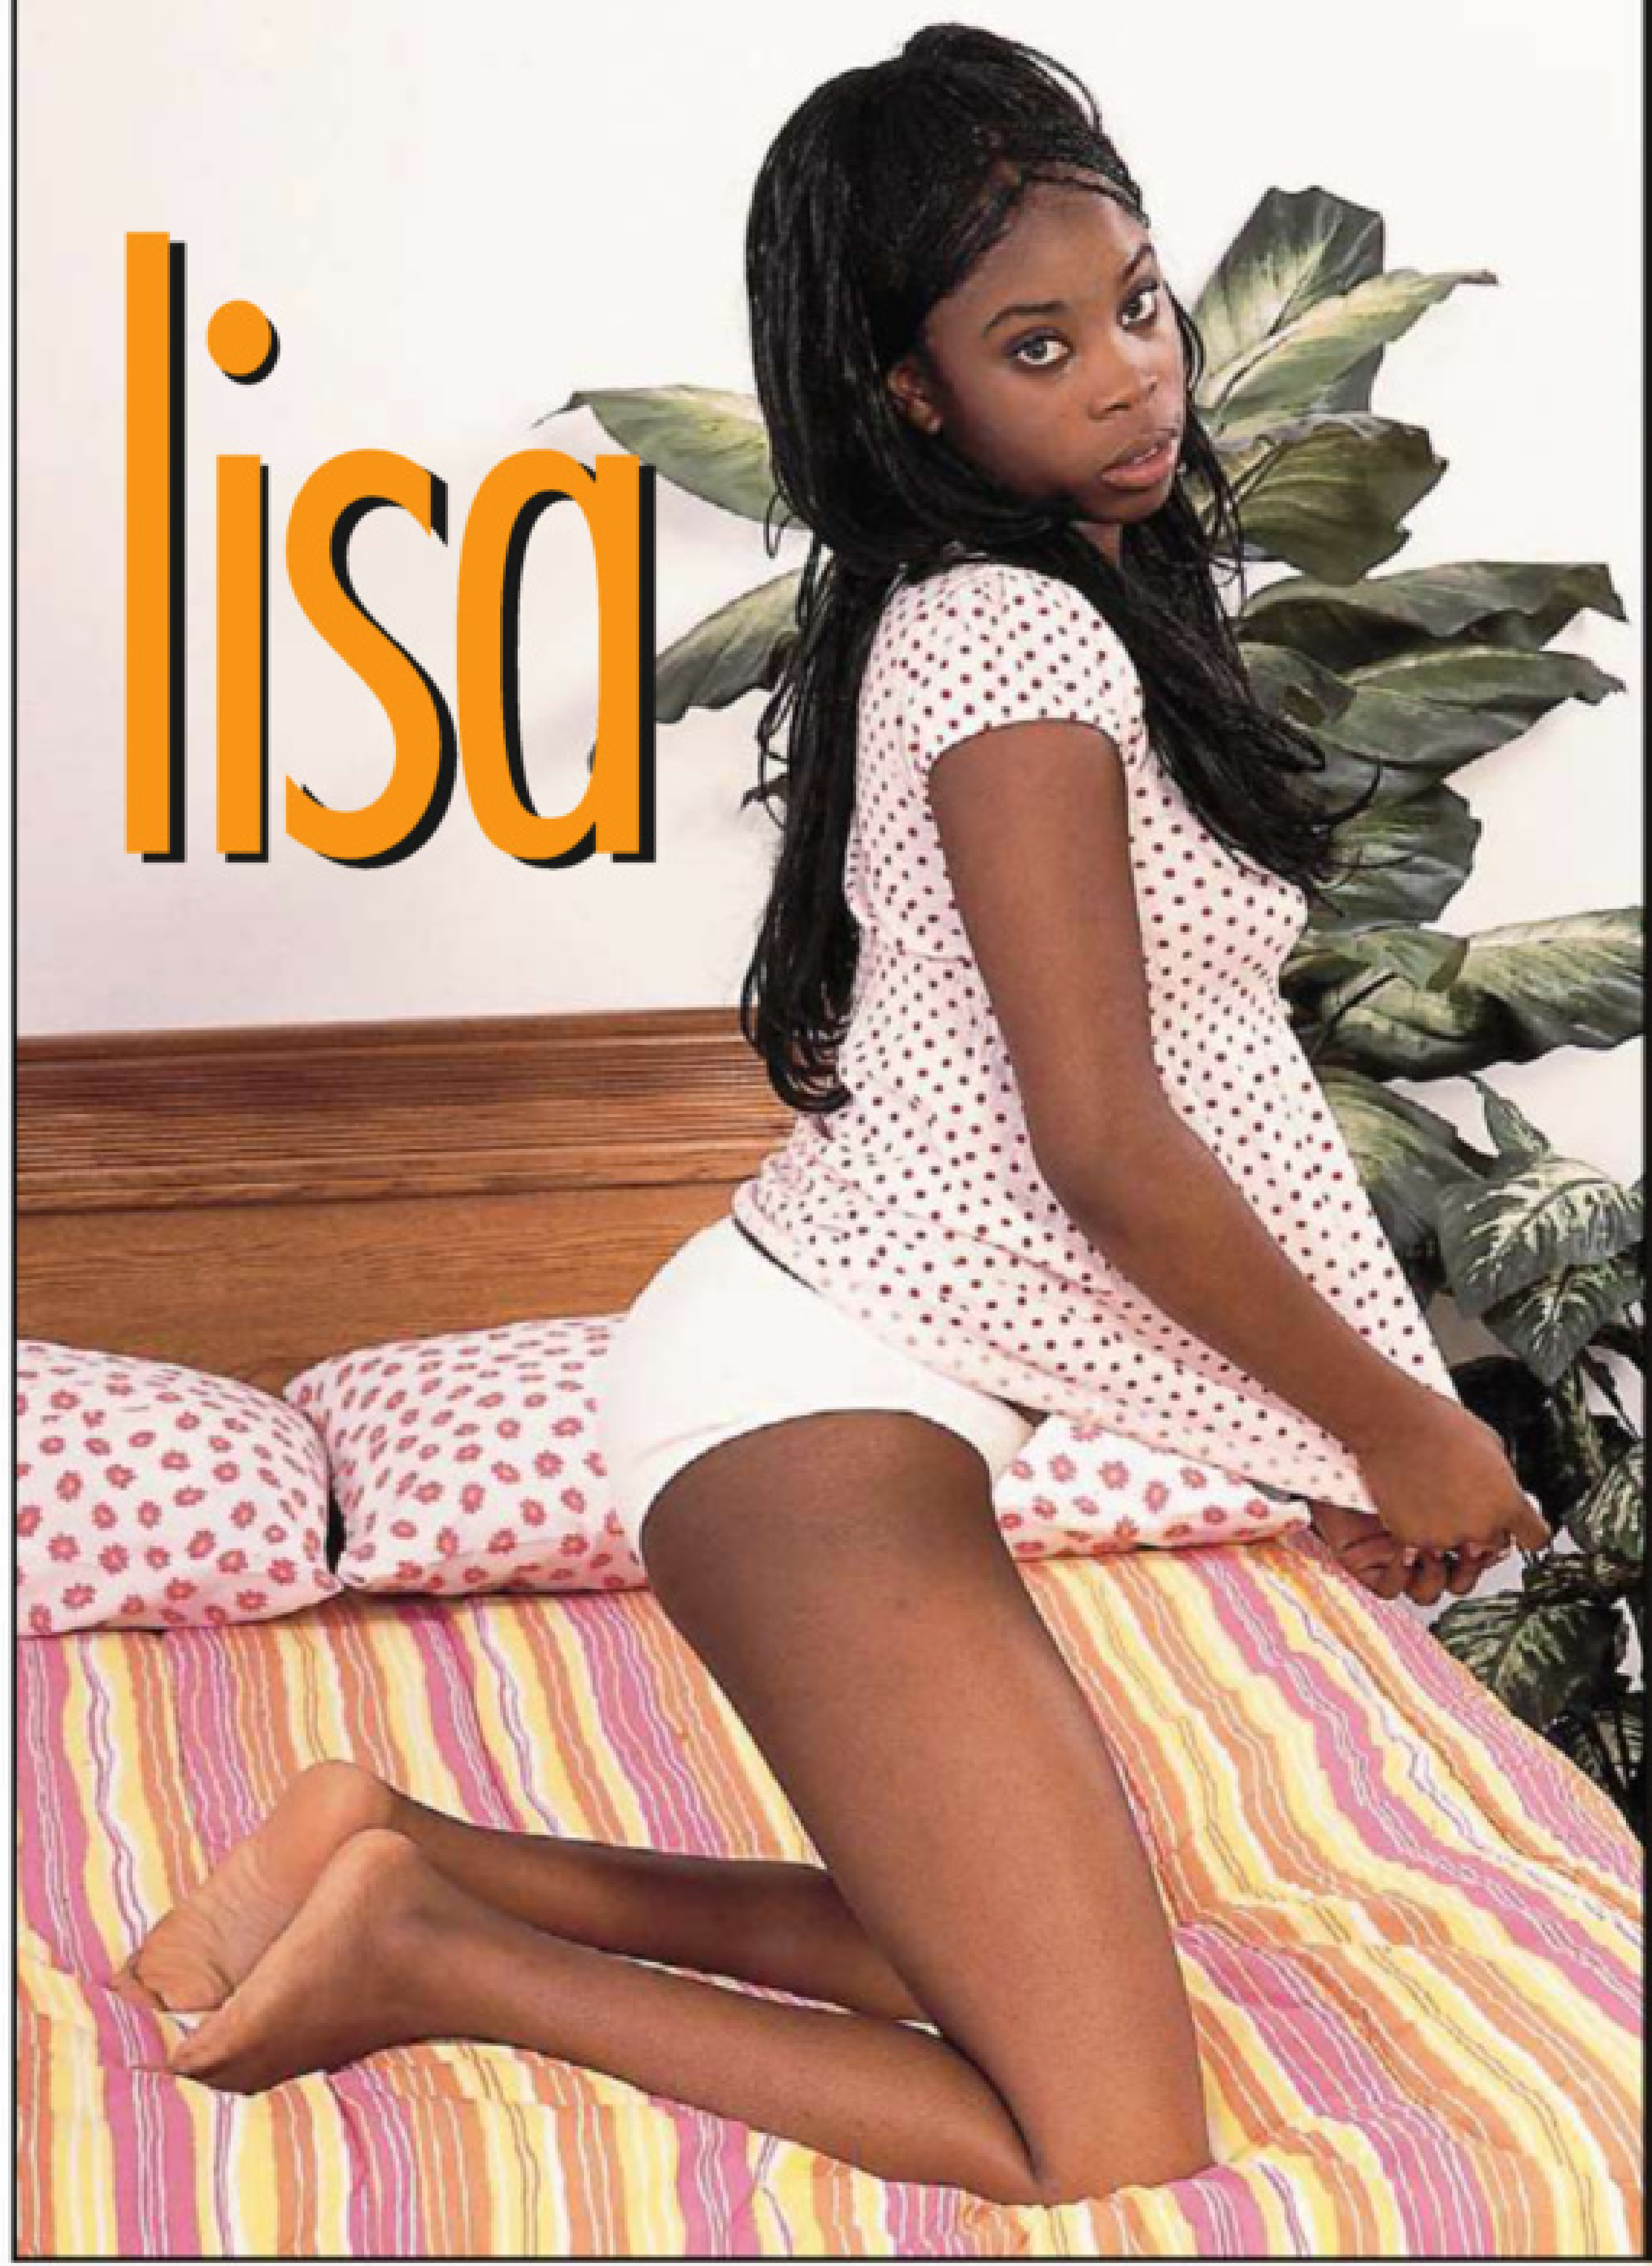

Jay exploded in my hand in like 20 seconds. It was SO hot. We sprung for a cab on the way home. Some things can't wait, and I wanted MINE!

Okay, you guys, I am so not a lesbian!

I know what lesbians are like! They're big, ugly women with bad haircuts, and they don't wear makeup or bras, and they are way butch, and I am not like that at all. I did this photo shoot to show everyone that I like men! No matter what Leslie says, I'm so not a lesbian!

Leslie might try to spread rumors about me because she tricked me into acting like a lesbian. I'm a virgin and I never even fooled around with anyone, but one day, my best friend Leslie was at my house and was gonna' spend the night like usual, and she was getting out of the shower, when she goes, "Lisa, can you come in here? I think there's something wrong!"

I was worried, because Leslie has been my best friend for years, and I don't want anything to happen to her. So I go into the bathroom and she was standing there totally naked! I thought she'd have like a towel around herself or something! I'm like, "Woah, Leslie, I'll come back when you're ready!" And she goes, "No, I think there's something wrong down there. You're the only one I trust to check!"

I felt awkward seeing her naked. I mean, I'm her best friend, but it's not like we ever do stuff like that. But then, it's weird being a girl sometimes because you don't always know what's going on down there. I get freaked out sometimes, too! So I wanted to help her.

So I said okay, and she asked me to get down on my knees and look at her... like... area. She said she thought that it was too wet, even after she'd dried herself off! I was like, "Leslie, I think it's supposed to be like that sometimes."

And she said she thought something was different.

So I got down and I looked, but I'd never seen another girl's private parts, and they looked kind of different from mine. Mine are pink, as you can see, and there's not much extra skin. But Leslie had a lot more skin and her area was darker, kind of brown. So I wasn't really sure if everything was ok.

Leslie said I should touch it to feel for wetness. So I spread her skin apart and touched her real lightly, and she made this noise like it hurt. I stopped right away, but she grabbed my hand and put it back! She said she just wanted me to put my finger inside to check things out, but I could tell she wasn't really worried—she was just **HORNY!** But when I put my finger in her and started to feel how wet she was, I got kind of excited, too, and soon I was licking at her privates! It was totally crazy! I never thought I'd do something like that! But then Leslie got me down on the floor and she started licking on MY privates, and it was actually a lot of fun.

But it was just a one time thing. I mean, sometimes when I see her now, I imagine her naked and like when I was licking her, and it gets me kind of turned on. But, I mean, I like guys. And guys like me, right? So I'm not a lesbian, right? I think maybe I need a guy to have sex with me right now so I can decide which I like better: guys or girls!

On the glorious day I turned 18 a few weeks ago, my girlfriends didn't have to ask me what I wanted to do to celebrate.

They already knew. I'd been telling them for months, so off to the tattoo parlor we went! I'd been dying to cut loose and express my artistic side for years, and now that I was legal, I was about to get stamped and certified!

I have a serious interest in sex, and if there's one thing that drives the boys wild, it's a tattoo. Don't ask me why, it's just the way it is! Who can figure guys out??

"So-are you gonna get a tramp stamp?" my friend Jessie asked me.

"No way—too predictable," I replied.

Though I knew that nothing gets a guy's blood boiling faster than the sight of some ink on a sexy lower back, I wanted something more unusual, more mysterious. When we got to the parlor, the artist asked me what I was into, and I giggled and said, 'Boys.'

He just smiled knowingly. I think he got the message. He could tell that I was searching, so he offered up an opinion. "How about your inner thigh?"

Yeah—I think he got the picture! That sounded cool. The inside of my thigh is so fucking sexy!

I rolled my jeans down, and it felt a little embarrassing as this stranger opened my legs and started examining me, but it was arousing too.

Not that I was into HIM, but the whole experience was sexy. Just the thought that I was doing something to attract and arouse guys was—well—HOT!

He asked me what I wanted to write, and without having thought about it, the word just rolled off my tongue. “Yummy.” He just looked at me with this strange look, and my friends rolled their eyes, but I was into it.

The tattoo hurt like a motherfucker, and it took a few weeks to heal, but that was cool, because my boyfriend was away on vacation visiting his aunt anyway, so it was perfect timing! When he finally came home, he was in for quite a surprise. I’ll never forget the look on his face when he first saw it. We had had a long dinner to reconnect, but I could tell by his body language that he was HORNY. Damn—it had been three weeks, we both were!

We got into bed and skipped the foreplay. Within minutes, his tongue was down my throat and he was sliding my tight jeans off. He pulled his own pants off and was ready to enter me when I sat up in bed and stopped him. “I want you to go down on me,” I said, looking straight into his eyes. In a flash, he slid down between my creamy thighs, and came face to face with those five delicious letters: Y U M M Y. His face lit up as he stared at it lustily. What IS it about guys and tattoos? I got fucked rotten that night!

So, I haven't told anyone about this because it's kind of embarrassing, but you wanted me to talk about some sexual stuff I've done to go with my pictures, so I guess I'll tell you about my one sex experience.

So, I've been going to this therapist—not because I'm crazy, though! It's just because my mom and dad split up and even though I wasn't, like, scarred or whatever, my dad wanted me to go to therapy to work through my "issues." I mean, I was sick of my mom anyway, so when she moved out, it was fine with me! I just went back to being totally normal and healthy... and everything! But, whatever!

My dad wanted me to see a therapist, and I always do what my dad says, and it turned out that this therapist is pretty cool. I go to her office once a week and talk about whatever I want! It's like she's a really good friend except we never fight! This therapist is super smart—her name is Judy—and she has all these diplomas on her wall, so I know I can trust her. And she's really nice to me. She's really sweet and understanding, and she always makes sure I'm comfortable, and helps me take off my sweater if I'm too warm. And even though she's way old (she's gotta' be 40!) she's still really pretty! In a super-smart-chick way, you know? Like short blond hair and glasses and everything.

Anyway, a few weeks ago I was telling her how this guy at school wants to like, DO IT with me, but I think he's gross and gay, and my dad would never let me DO IT!

Judy told me she thinks young people in our country are oppressed, and that it's important for young women to get comfortable with their bodies in a safe, nonjudgmental place... like her apartment! She's really educated, so I wanted to impress her. So I told her I want to be un-oppressed.

She got excited, and we went to her apartment. She told me to play with myself in front of her to show her how liberated I was! Like, I'm only 18! I didn't know what to do! I've touched myself down there a few times, but mostly in the shower, and it feels pretty good, but my dad always told me that it was a bad thing to do. So now this lady wants me to do it in front of her?! But I wanted to show her that I was liberated, like she said I should be, you know? So, I kept trying to show her how mature I was.

But she could tell I was faking because she got up and said, "Here, let me help you. I'll show you." And she spread my legs and put her mouth DOWN THERE! Oh my god! I was giggling because it kind of tickled, but after a little while it changed and started feeling really, really good! Like I was swelling up and getting all... like... juicy in her mouth! Then she put one of her fingers inside of me, and that felt even better. She started moving her finger around, kind of like wiggling it, and she kept licking at me down there, and before I even knew it, it was like my whole brain exploded inside my head and my body was wiggling around and... WOW!!!!

After that, she taught me how to do the same thing to her, which was kind of scary at first but I knew she would think I was liberated if I tried it, and after I got the hang of it I really liked it!

I guess this means I'm a lesbian now, but I can't tell anyone because Judy said my dad would make me stop coming to see her and have her arrested if he found out. So don't tell anyone about it, ok? Because I really want to keep seeing Judy!
